

DEDICATED COACH (TANZANIA)

KUZA Biashara, a private-sector social enterprise, is creating opportunities for rural youth, women, and small business owners by building their capacities as Agripreneurs via its Rural Entrepreneur Development Incubators (REDI). Each Agripreneur offers bundled services of crop/ animal advisory and facilitates inputs, credit, and markets to a cohort of 200 smallholder farmers from within their local communities. KUZA has operations across Kenya, Uganda, Rwanda, Mozambique, and Tanzania and a network of 750,000 smallholder farmers.

We are looking to hire Dedicated Coaches who can support our programs in Tanzania.

Job Description

1. Engage agripreneurs to help them access mentorship & training support to improve their knowledge and skills in agribusiness.
2. Conduct group training sessions for agripreneurs on agronomy or business skills.
3. Coordinate with the agripreneurs & other stakeholders to aggregate inputs/ output demand, linkage to service providers, and extension services to farmers.
4. Guide, monitor & mentor the agripreneurs through their entrepreneurial journey (goals, record keeping, farmer training, and business growth & performance)
5. Gather feedback from Agripreneurs and document the same by compiling periodic reports.

Requirements

1. Bachelor's Degree in agriculture or any other Science
2. Strong community engagement/ extension/ agriculture training experience
3. Good public speaking and presentation skills
4. Able to effectively communicate both verbally and in writing (Swahili)
5. Committed to the mission of serving smallholder farmers
